Dedicated
to pattern
innovation

Amtico laying patterns begin with design research. Shapes, angles, geometry, and scale are developed by the in-house design team, working in partnership with expert manufacturing. We're dedicated to crafting pattern design.

*Our technical drawings
inform the flawless
cutting that makes
our precision tiles.*

Every laying pattern is a collaboration created through dedication to finding an effective pattern for every space.

This collective curiosity, knowledge, and expertise helps us to craft original and innovative patterns, and harness the incredible precision of our in-house cutting techniques.

EXPERT
KNOWLEDGE

The unrivalled knowledge, expert support, and bespoke service you'd expect from a market leader with over 100 years experience.

Endless possibilities

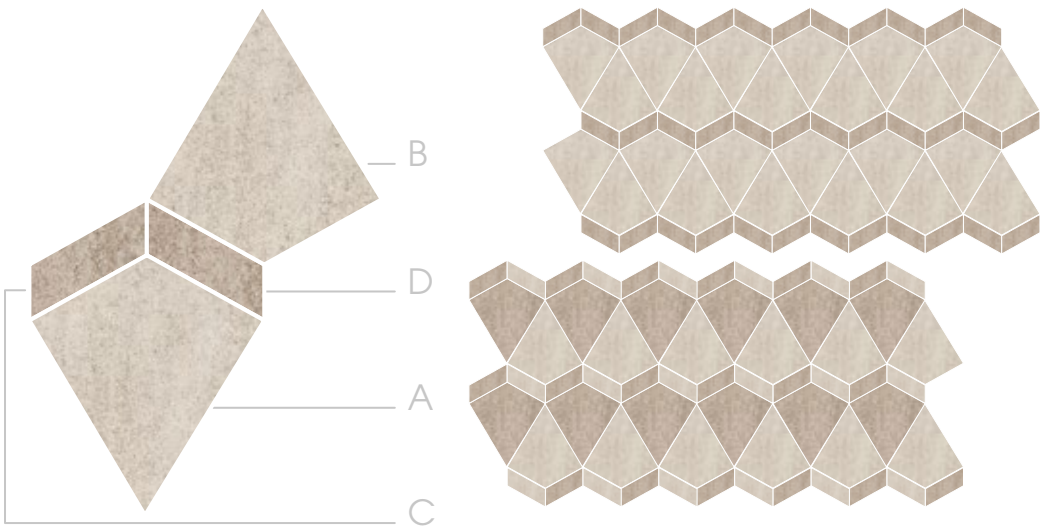

Classic or contemporary. Bold or understated. Traditional or daring. Ever beautiful, the Amtico Signature collection offers endless possibilities for creating memorable flooring.

The Amtico Signature collection has been created by our talented team of experts in Britain. This inspirational collection gives a choice of 19 distinct laying patterns, many of which are unique to Amtico.

3 Colors

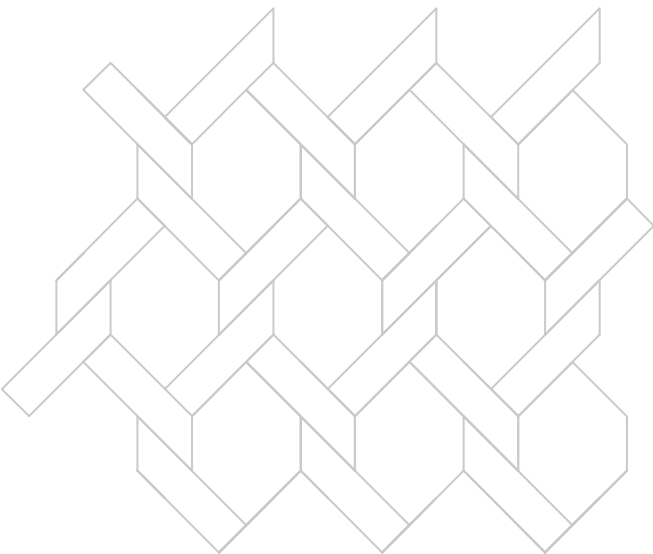

4 Colors

Castel Weave

An artisanal weave that creates the effect of an open, structured mesh against the background. The interlocking strands provide a feeling of sinuous movement and a graceful sense of balance.

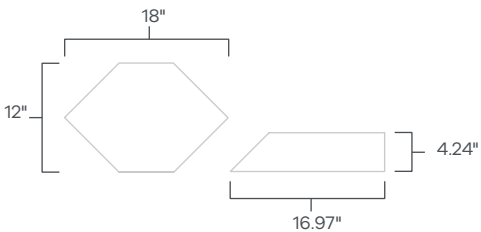

Inspired by the beauty of traditional parquetry, this weave lends itself to a range of grains and textures.

► **Castel Weave**
AR0D3690

Juxtaposed angles highlight the unique beauty of one weathered wood visual.

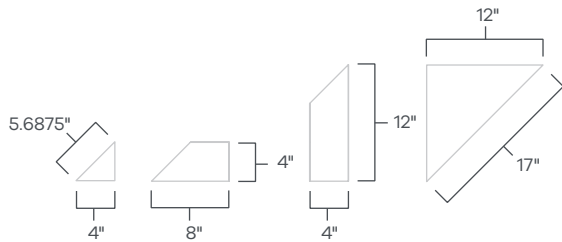

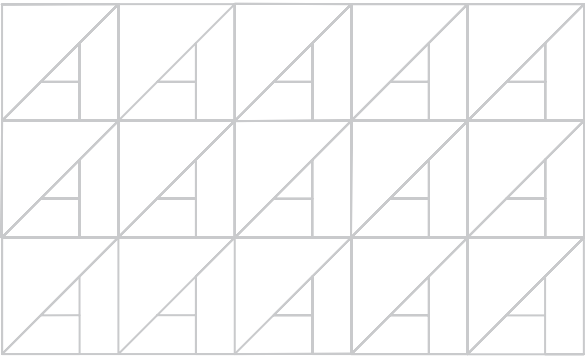

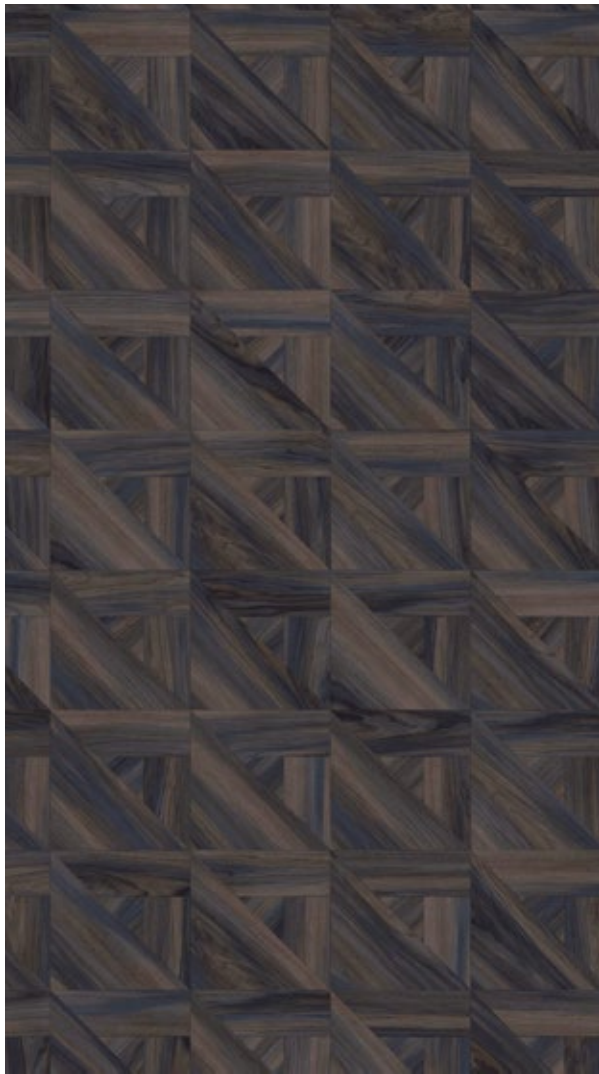

Created with:
Harbour Pine

Cubist

A fresh take on classical geometry, this smaller-scale design combines intricate detail with asymmetrical interest to create a timeless yet contemporary feel.

The mitred triangular pattern echoes the tradition of wooden parquetry and encaustic tiles.

Cubist
AR0D3710

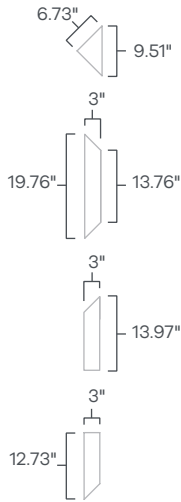

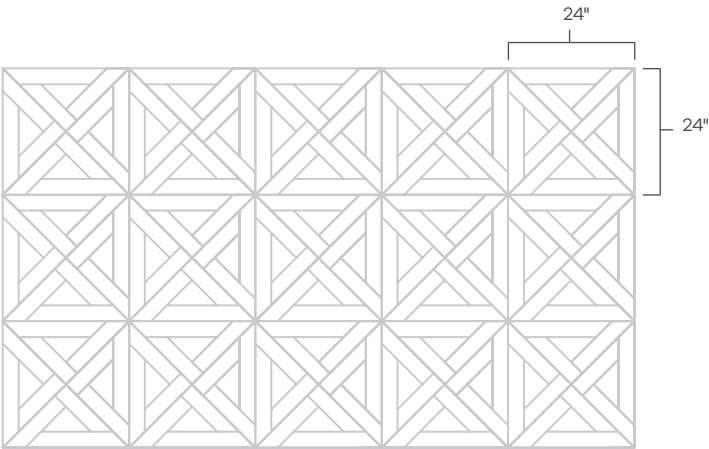

Rows of multi-faceted shapes in an inky wood visual convey a quiet impact.

Created with:
Ink Wash Wood

French Weave

A crafted, woven pattern with strength and balance for large spaces. The rich symmetry of French Weave adds to the boldness of the design, while giving it enduring appeal.

French Weave
AROD3700

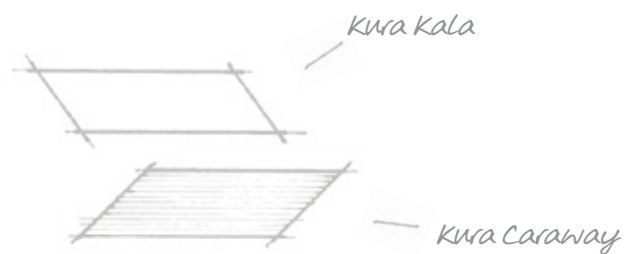

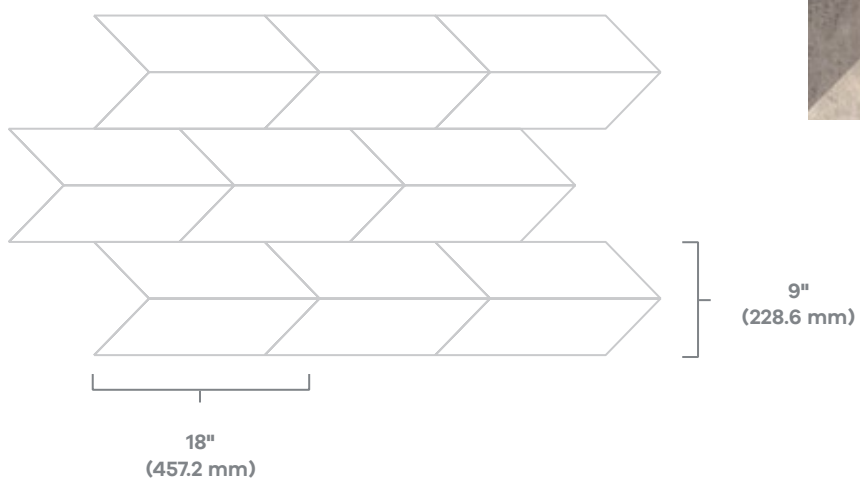

French Weave is all the more striking when composed in characterful wood grains.
Created with: Galleon Oak

Arrow

A striking and confident geometric pattern with shifting rows of parallelogram tiles. An abstraction of a traditional pattern, it allows for imaginative product combinations as individual and surprising as the shapes themselves.

Arrow's precise beauty and dynamic movement are a stunning example of our advanced cutting capabilities.

▶
**Arrow
AR0D1840**

Gently contrasting cream and silver-grey shades softly emphasize Arrow's clean angles.

Created with:
Kura Kala
Kura Caraway

Varied Block

Five tiles of equal length and differing widths create this large-scale contemporary design. The strong architectural geometry and staggered positioning deliver striking abstract movement and real visual impact.

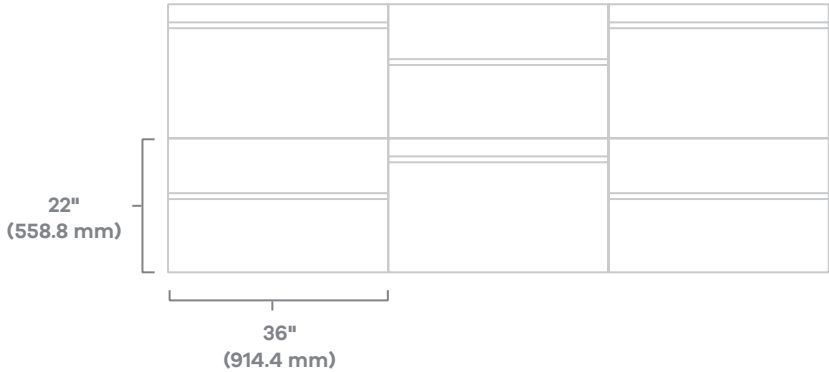

A pattern to make a stunning statement in large spaces.

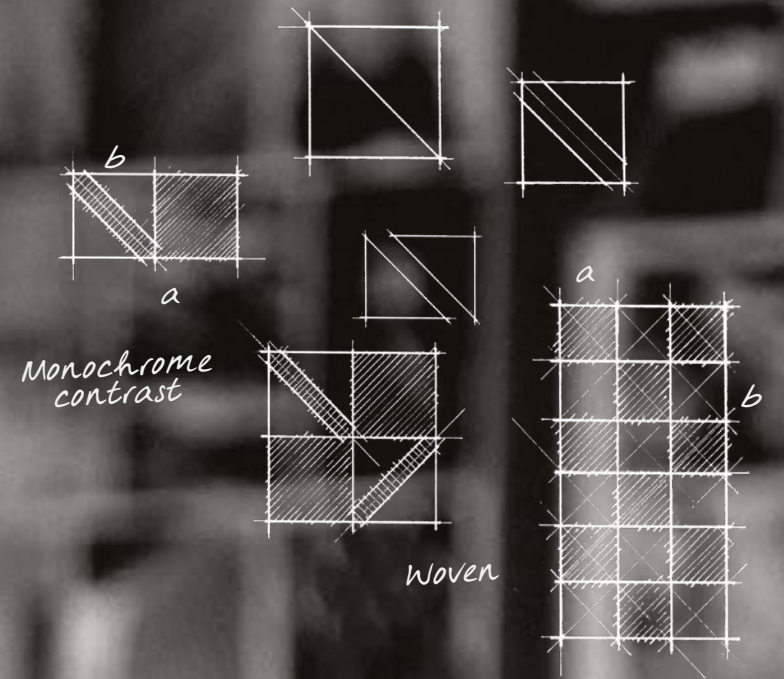

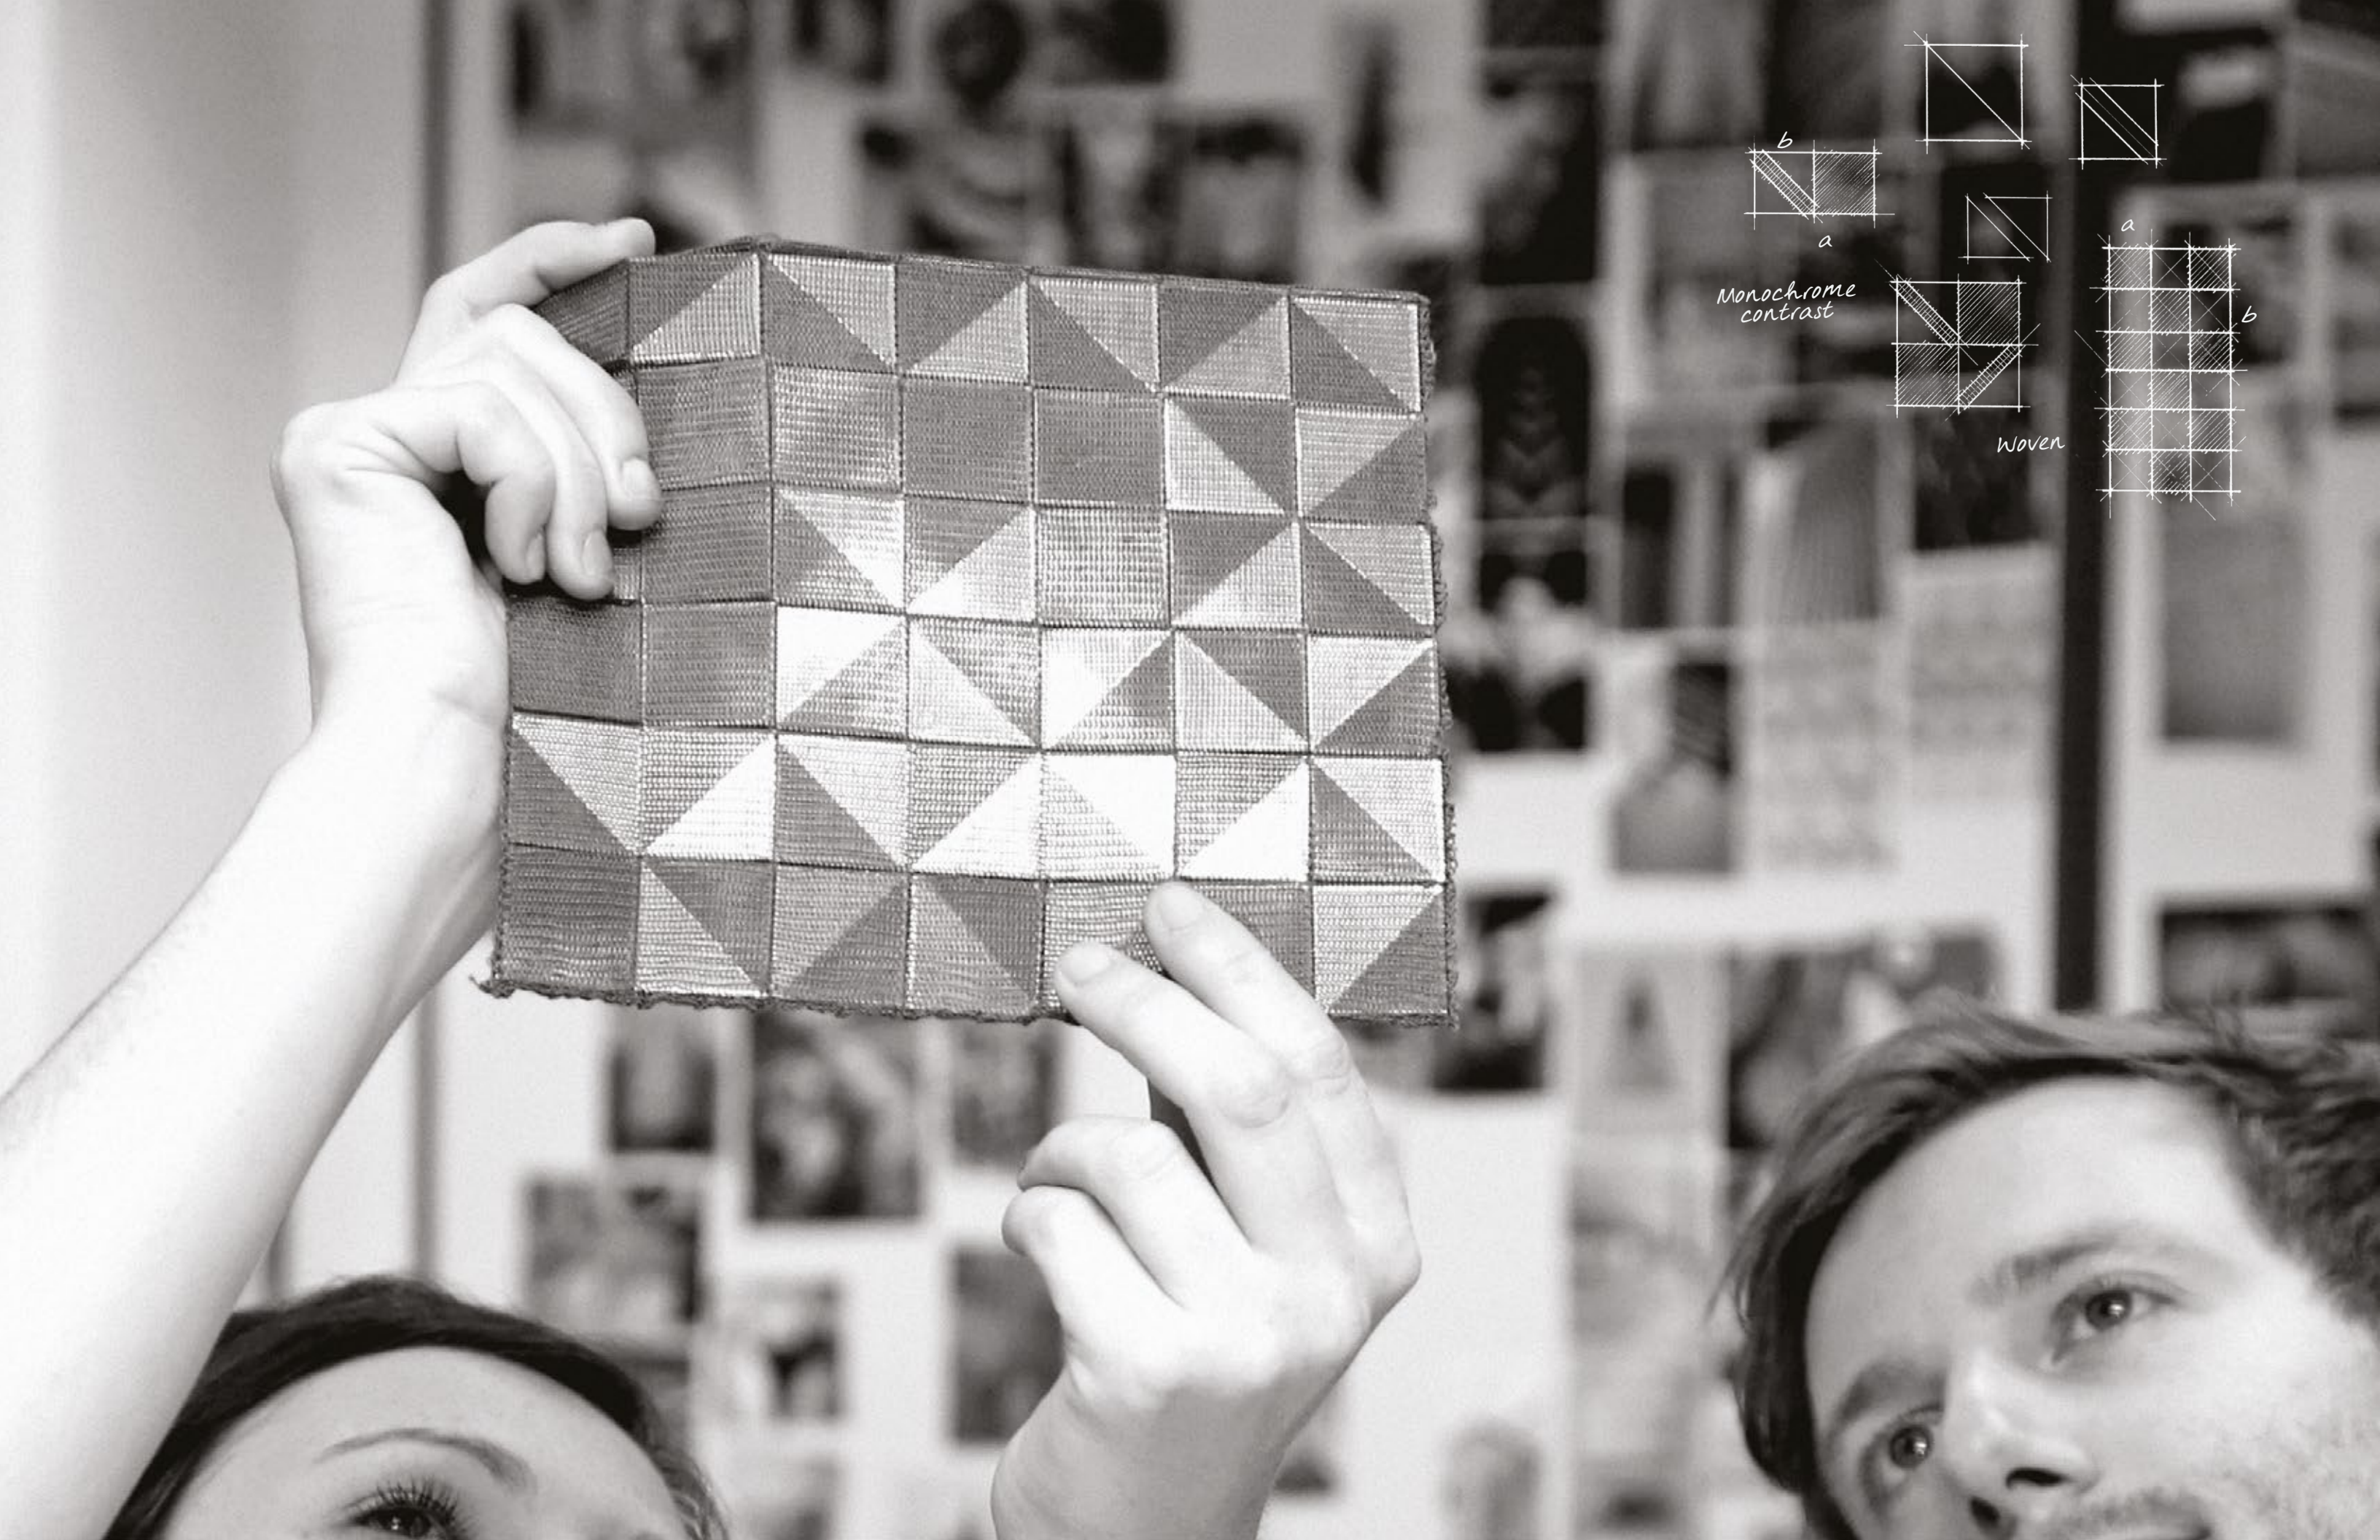

Varied Block
AR0D1540

The varied textures and tonal blends of Wood and Stone meet in this striking large scale pattern.

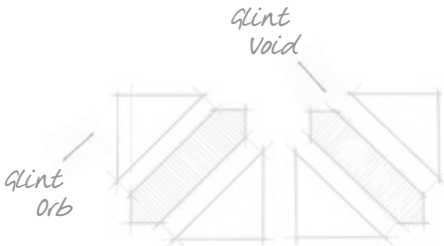

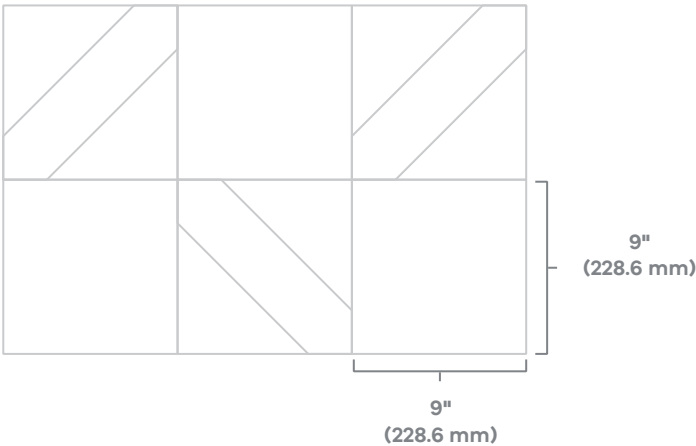

Created with:
Wharf Oak
Kura Caraway
Kura Opium

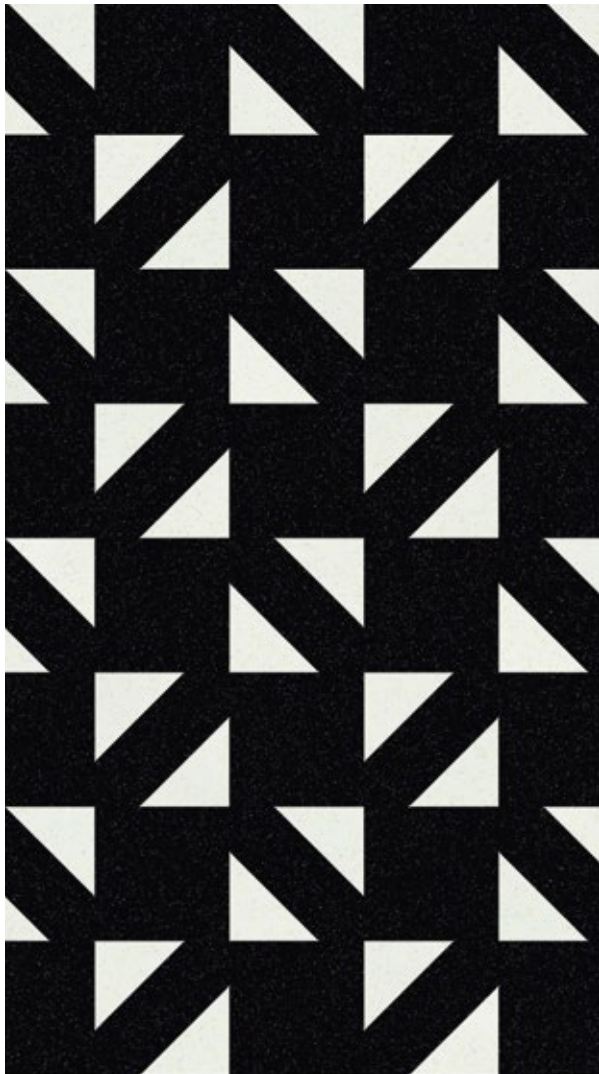

Woven

A contemporary twist on a classic Parquet, this pattern delivers clever modern geometry through interwoven shapes. The stunning angles in the subtle twisted weave lend themselves to single color patterns and interesting linear textures.

*Monochrome beauty
crafted with
precision cut pieces.*

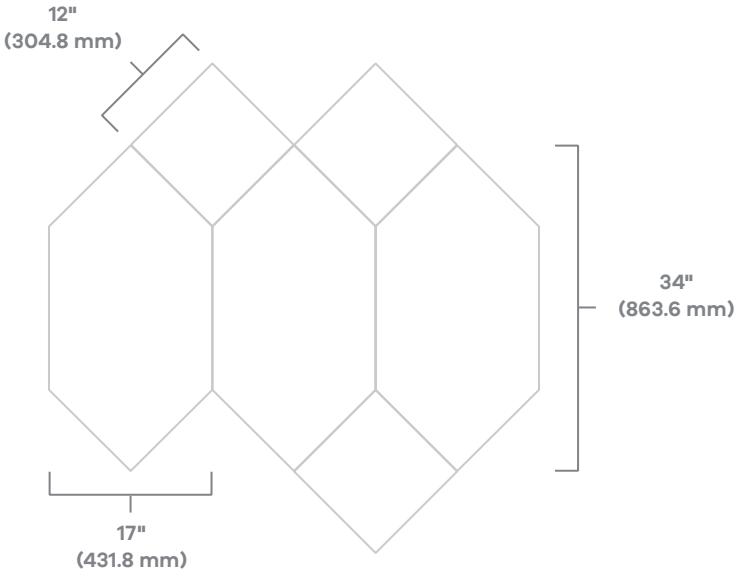

Woven
AR0D1300

Two shimmering
Abstracts
gloriously contrast
and complement
the dynamic
geometry.
Created with:
Glint Orb
Glint Void

Polygon Key

Confident, dramatic, and memorable, the large-scale polygon and key tiles in this pattern produce impressive spaces. Bold geometry that makes a statement.

Polygon Key AR0D8501M

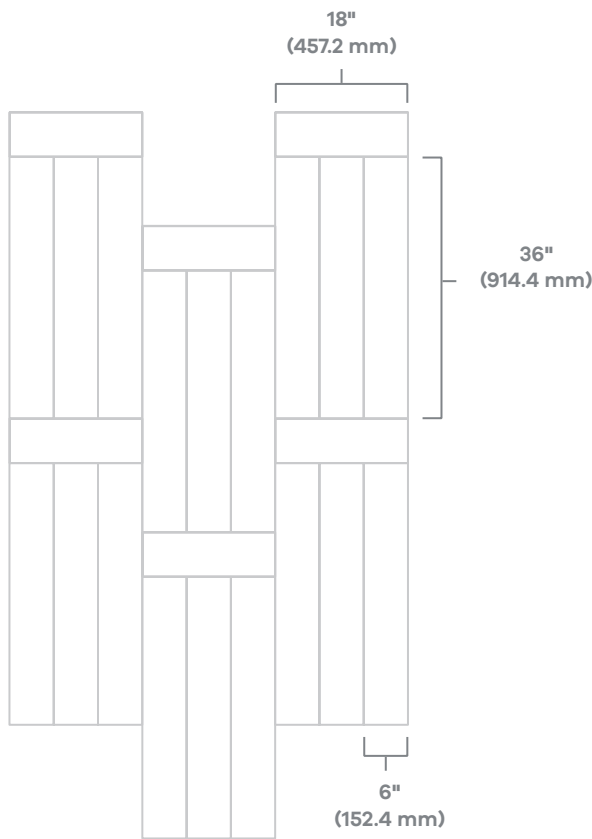

Decadent color blends and stunning deep-dyed texture bring new glamour to Polygon Key.

Created with:
Kura Cassia
Kura Juniper
Kura Anise

Plank Weave

Trios of large planks interrupted by short planks, create a captivating weave. Perfect for adding interest to large spaces in classic Woods or modern Stones and Abstract finishes.

Plank Weave
AROD1102

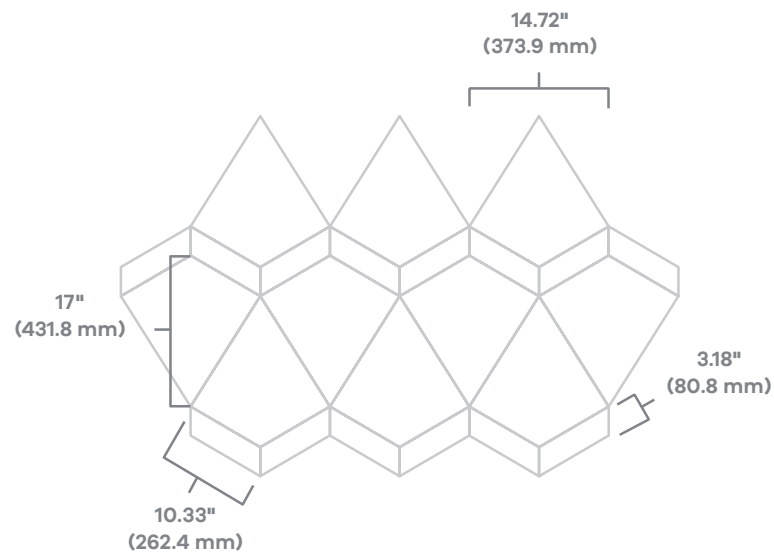

Subtle bands of weathered tones move across the pattern.
Created with: Parisian Pine

Kite

A bold and confident design that introduces parallelogram tiles to a kite pattern to create distinctive geometry.

Kite can deliver classic style or contemporary edge and is guaranteed to make an impact.

► **Kite**
AR0D8900S

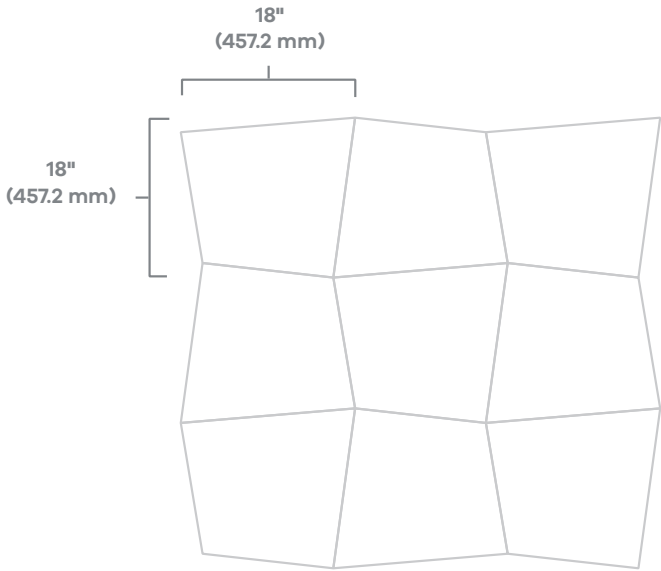

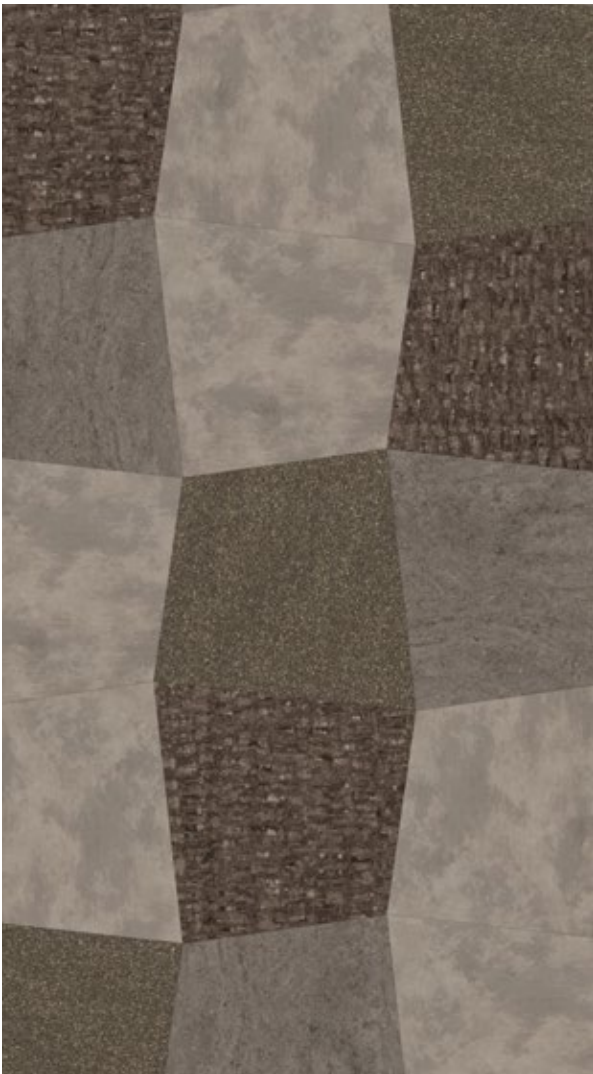

Umbra's pleats and curves subtly diffuse the geometry, creating pattern flow across the floor.

Created with:
Umbra Veil
Umbra Dusk

Oblique Square

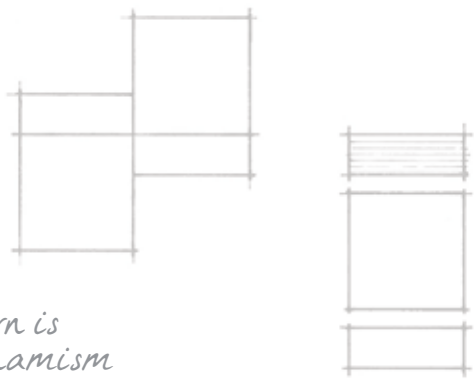

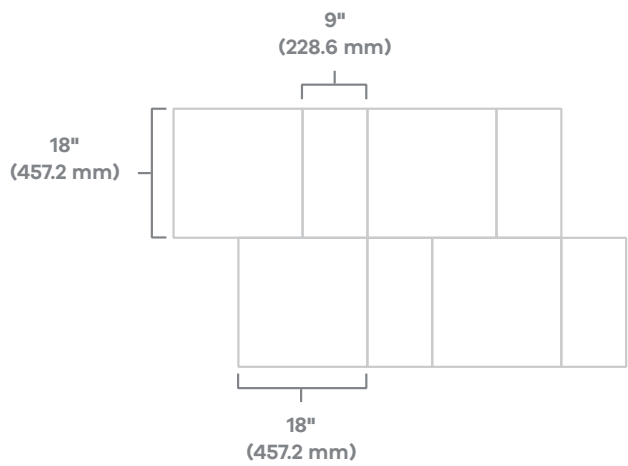

A grand, contemporary, and bold pattern created by precisely cutting large-scale asymmetric tiles. Oblique Square creates a fresh backdrop in one color and is a dramatic showcase for textures and tones in multi-product combinations.

Oblique Square
AR0D8501M
Bold contrasting textures in complementary tones create a dynamic combination.
Created with:
Patina Vapour
Fragment Astro
Alchemy Storm
Stria Rock

Block Weave

Shifting rows of square and rectangular tiles deliver simplicity on a large scale. Using linear products creates contrasting grain direction, highlighting the simple weave and elegant pattern.

A classic pattern is given real dynamism by contrasting blocks of linear grains.

Block Weave
AR0D1500

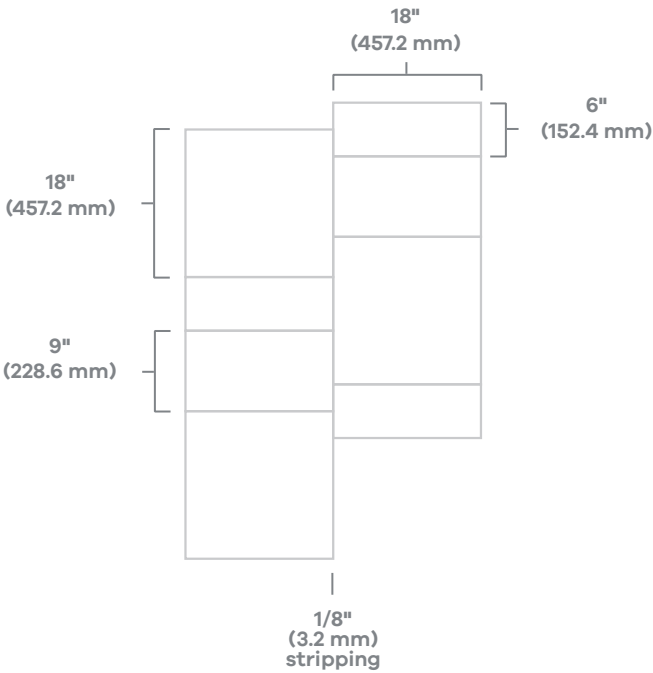

A luxurious weave given distinctive movement by lustrous bands of deep color and delicate metallic texture.

Created with:
Chroma Black

Staggered Block Repeat

Panoramic and architectural, this large-scale pattern works handsomely as a backdrop to large commercial spaces. Three varying tile sizes create subtle flow and feature stripping gives the pattern stunning definition.

Staggered Block Repeat AR0D1520

Whether a single or contrasting tones and textures are used, the result is a bold, versatile statement.

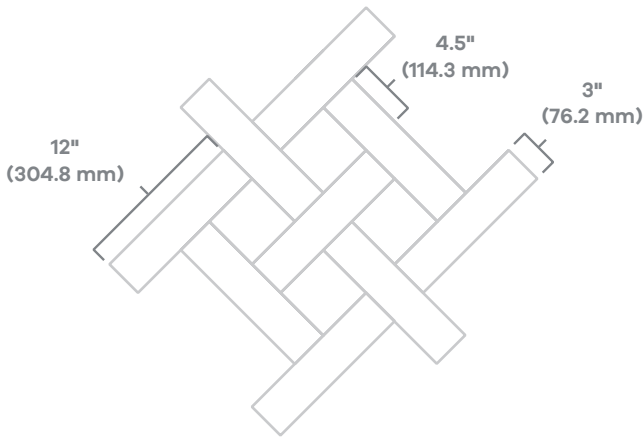

Created with:
Exposed Concrete
Cirrus Air feature
stripping

Basket Weave

A timeless classic is given new beauty and elegance from the sophisticated placement of planks and square tiles that are artisan cut and proportionally balanced.

Single-color designs offer a traditional finish while multi-colored patterns create drama.

Basket Weave AR0D1370

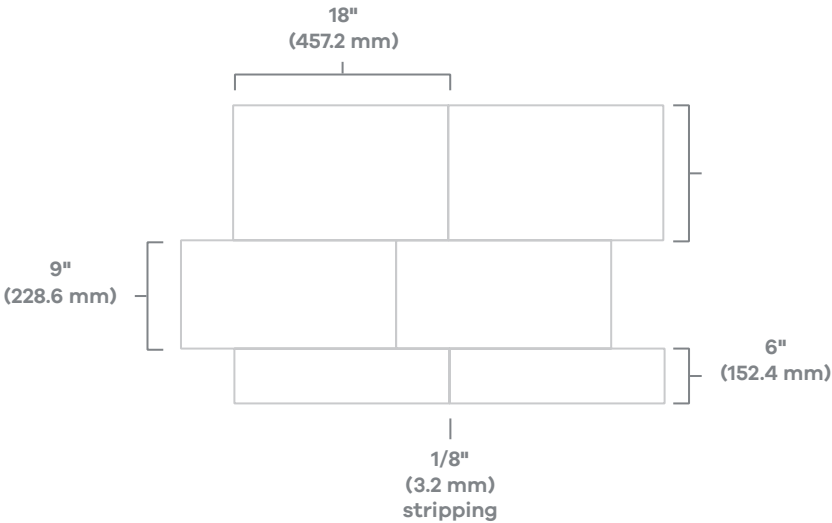

Three rustic Woods with a Stone key tile produce an illusion of depth in this bold open weave.

Created with:
Harbour Pine
Aged Oak
White Wash Wood
Stria Ash

Random Stone

A contemporary shifting block pattern created by three rectangular tile widths. Versatile and impactful, Random Stone brings uniformity and grandeur to large spaces, and also works superbly in smaller rooms. Available with ¼" feature stripping.

► **Random Stone**
AR0D6060
Peppered flecks flow through the pattern in this elegant neutral Stone with a functional porcelain finish.
Available with:
1/4" feature stripping
Created with:
Basilica Salt
Basilica Shell
Kura Caraway Stripping

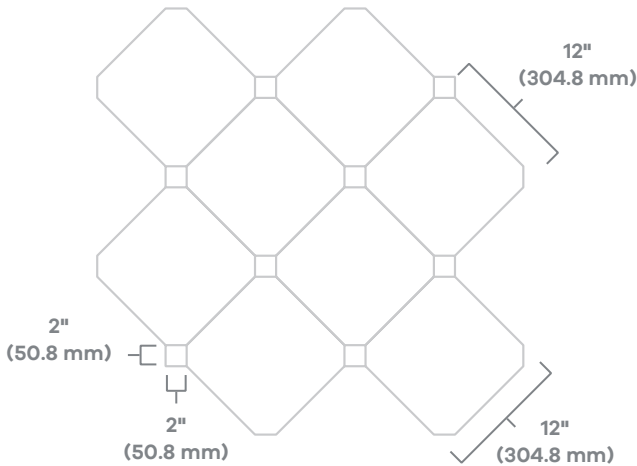

Key Stone

A memorable spin on a classic aesthetic. This traditional pattern with regularly placed, smaller accent tiles creates a sense of open space, while simultaneously serving to anchor any color combination, from neutral to dramatic.

Available Size Options:

AROD2501
12"x12" tile
1"x1", 2"x2", or 3"x3" key
(Shown below with a 2" x 2" key)

AROD2502
18"x18" tile
1"x1", 2"x2", or 3"x3" key

Key Stone
AROD2501

Classic neutral stone paired with bold accents for a sophisticated contrast and timeless appeal.

Created with:
Honed Limestone
Natural Graphite Slate

Flagstone

Clever combinations of rectangular and square tiles make up this charming mid-sized pattern. In classic products it offers elegance and in modern abstracts, intriguing structure.

Available Size Options:

AROD1401
1/2 scale option

AROD1401
2/3 scale option

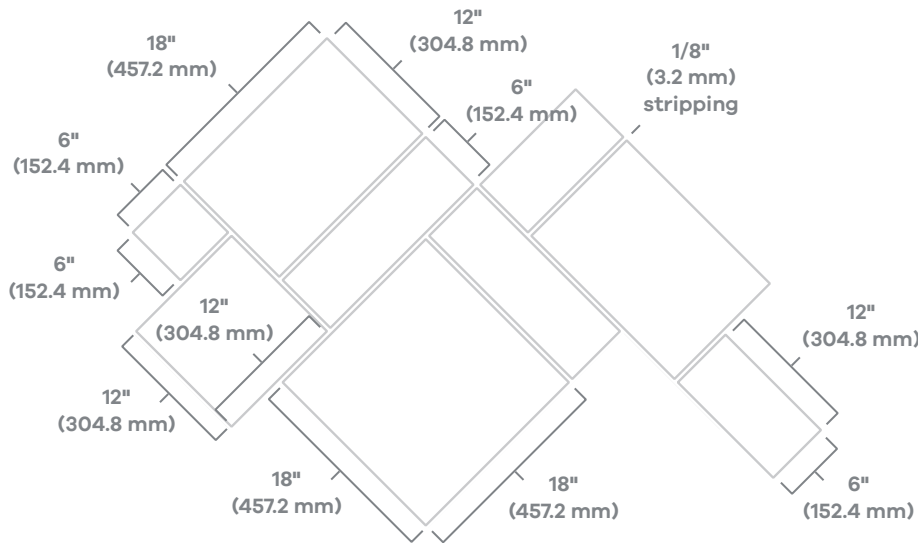

AROD1401
Full scale option
(Shown Below)

Flag Stone
AROD1401

Use rectangular and square tiles in different sizes. Create the soft geometry through choice of product, and stripping.

Created with:
Graphite Slate
Silver Feature
Stripping

Herringbone

Timeless and ever-popular, Herringbone delivers a sophisticated impact to both traditional and modern spaces. Immediately it brings to mind beautiful parquet flooring.

Available Size Options:

AROD3000
3" x 9" plank

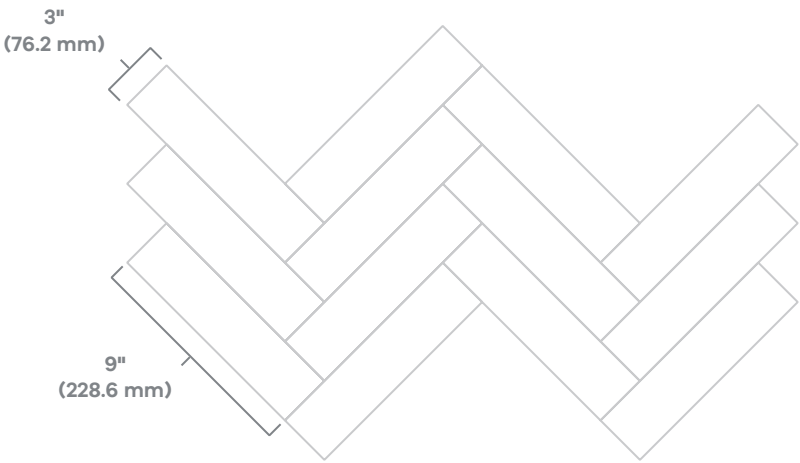

AROD6000
4.5" x 18" plank

**Herringbone
AROD3000**

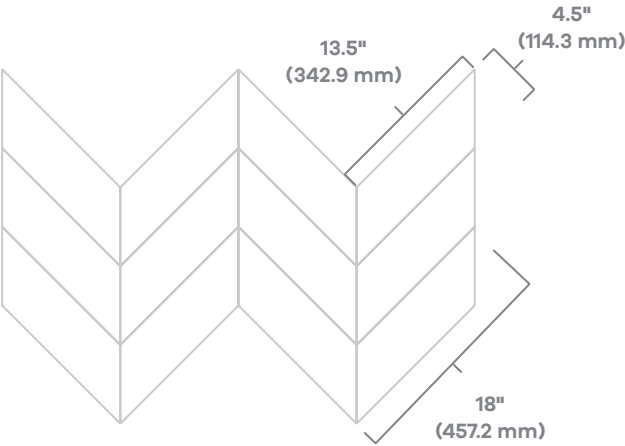

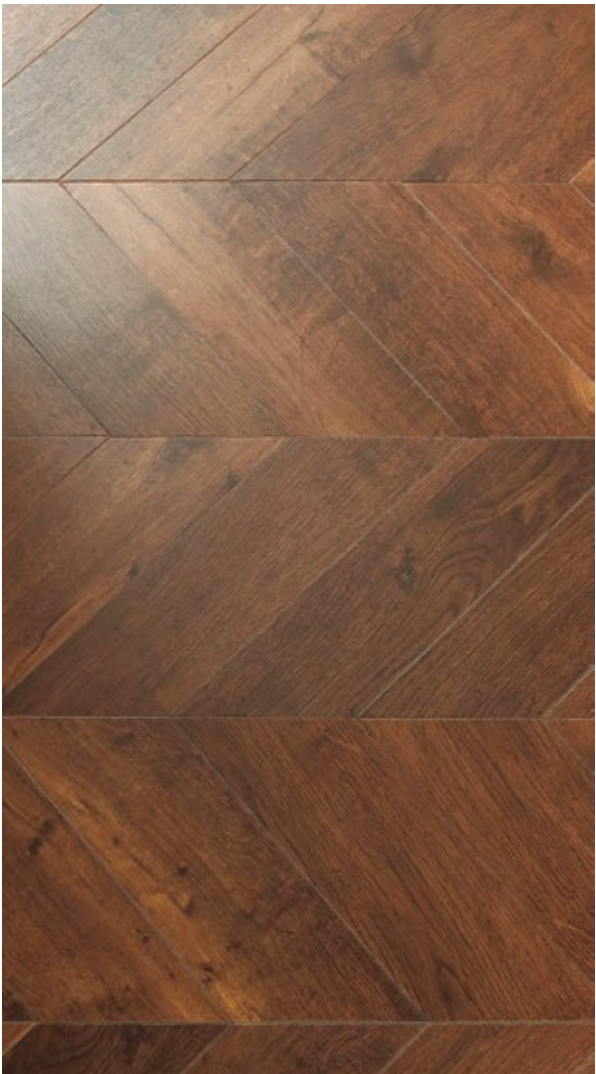

Choose from two size options, allowing for memorable results whatever the scale of space.

Created with:
Shore Oak

Herringbone Pleat

Amtico's modern take on the classic Herringbone pattern. Contemporary in Abstracts and clean Woods, or introduce tradition and solidity using oaks and limestones. Use this design to add sophistication and creative detail to a floor.

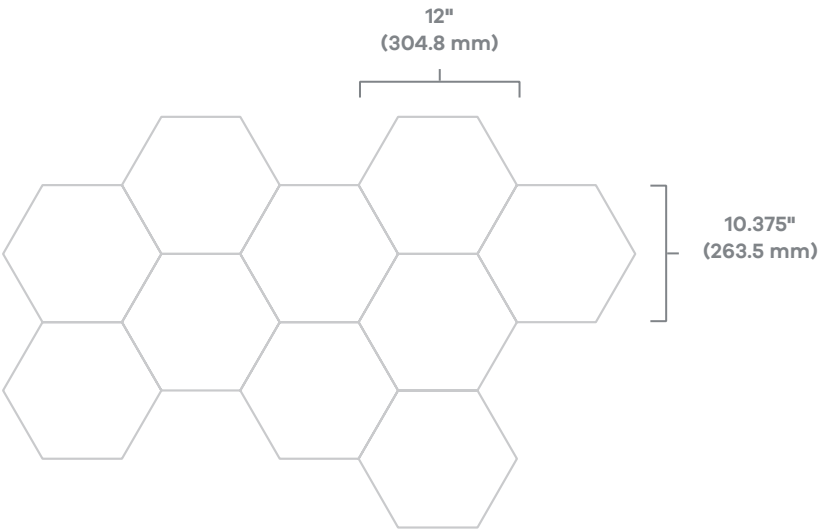

Herringbone Pleat AR0D6300

Texture and grain in one color designs bring decorative detail and modern color in imaginative combinations.

Created with:
Priory Oak

Hexagon

Hexagons come together to create a non-linear look, a geometric rhythm that hints at honeycomb, organic use of space, and boldness. A fresh perspective on a timeless layout.

Hexagon AR0D1360

Multiple colors and textures combined to create dynamic rhythm and a modern aesthetic.

Created with:
Fumed Oak
Napoli
Shibori Jasmine
Cirrus Air
Cirrus Shadow

Custom Layouts

Create
your own
design

Want to start with a blank canvas, a logo, a sketch, or any other creative spark? Creating a truly custom pattern is as simple as: 1) Submit your idea; 2) Select styles and colors.

To begin your custom project, contact your local Mannington Commercial representative.

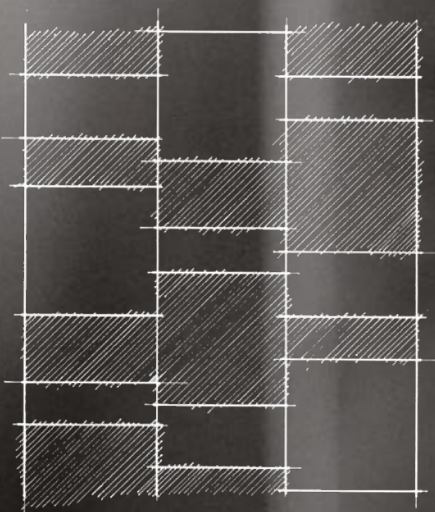

Submit your idea – Start with a sketch, a photo, branded elements. Any inspiration is a good start.

Select styles and colors – Choose from the broad portfolio of products in the Amtico Collection – abstracts or nature-inspired designs, sophisticated or bold. Then choose from the most inspiring and relevant color palette in the industry.

Let our in-house professionals translate your concepts into beautiful reality.
